

DECLARATION OF INCOME AND FINANCIAL POSITION

Borrower: Natalie Jarry, Canadian citizen, Greek resident (Golden Visa holder)

Date: 21 May 2026

I, **Natalie Jarry**, born April 9, 1966, residing at Agiou Nikolaou 72, Glyfada, Athens 16674, Greece, hereby declare the following regarding my income and financial position:

1. Professional Activity

I am the Founder and principal shareholder (99%) of **Emanatis Luxury Living IKE**, a Greek luxury real estate development company established in 2022. I am also the Founder and 90% shareholder of **DreamLease S.A.**, a vehicle leasing company incorporated in December 2025.

I am self-employed and currently draw no salary from either company. Any future compensation will be structured as dividends, taxed at 5% under Greek law.

In addition, I have personally loaned both companies a combined total in excess of **€1,000,000** in shareholder loans — repayable within five years at approximately 5.5–6.5% annual interest, compounding. These loans may continue up to **€5,000,000** as the business scales. They are not capital contributions and do not increase share value — they are arm's-length debt obligations of the companies to me as creditor.

2. Source of Income

My current income derives from:

- Real estate development profits — Emanatis Luxury Living (Galatsi residential project, Athens)
- Vehicle leasing operations — DreamLease S.A. (Tesla fleet, Greek market)
- Rental income — condominium in La Punt-Chamues-ch, Switzerland (€2,000/month = CHF 1,832/month gross, CHF 15,867 net annually after holding costs)
- Investment income from personal assets

3. Real Estate Assets

Switzerland:

- Condominium at Curtins 14, Chesa Curtins Sassella 1, 7522 La Punt-Chamues-ch, Graubünden. 2½-room apartment (living room + bedroom), ~60–65 m², upper floor, cellar compartment, plus parking space #23 with right of use. Inherited through husband's family (Erbgang), sole ownership (Alleineigentum) registered since 12 August 2016 (SIX Terravis / Grundbuchkreis Maloja). Unencumbered. Current tenant: Thomas Engelhardt (10+ years, €2,000/month net, ~CHF 1,832). Market value estimated at CHF 1,100,000. Municipal assessment: CHF 760,000. Swiss taxable asset value (2024): CHF 754,200.

Greece:

- Investment land at Allikarnassou 16, Nea Smyrni, Athens. Purchased November 2022 for €250,000 (objective value €311,102) — acquired as the qualifying investment for my Greek Golden Visa (minimum €250,000 threshold). Allocated for future construction. Current estimated value: in excess of €400,000. Unencumbered — no mortgage, no loans.
- Interest in Emanatis Luxury Living — Galatsi development, 10-unit LEED Platinum residential project, Ipirou 22, Galatsi, Athens. Construction 60% complete. Insured construction value: €1,400,000 (Orizon Insurance, policy 2184000708, dated 14/02/2024). Current estimated value: ~€2,000,000. Total portfolio value at current asking prices: €3,820,140. Four units sold (actual revenue: €1,319,000). Remaining six units valued at €2,501,140.

4. Liabilities

I declare that I have no outstanding Swiss debt enforcement proceedings. I have never been a Swiss resident and am not currently subject to any Swiss Betreibungsverfahren. I will provide equivalent documentation from my country of residence (Greece) upon request.

I have **zero personal liabilities**: no credit card debt, no personal loans, no mortgages, no outstanding tax obligations. My 2026 Greek ENFIA (Unified Property Tax) is fully settled — the clearance certificate from AADE is enclosed. No Swiss debt enforcement history exists as I have never been a Swiss resident.

5. Purpose of Loan

The requested bridging loan is for business purposes related to the ongoing operations and development activities of Emanatis Luxury Living in Greece. The loan proceeds will serve as a force multiplier, providing liquidity to maintain construction momentum without diluting equity or restructuring around Greek bank timelines.

6. Declaration

I hereby confirm that the information provided above is true and complete to the best of my knowledge. I authorize Hyrock to verify any of the above information as part of the financing assessment.
